

ASPHALTKIND

Engineered to perform.

"Jeder lobt, was Nürburgring erprobt!"
"Everyone praises what Nürburgring has tested!"

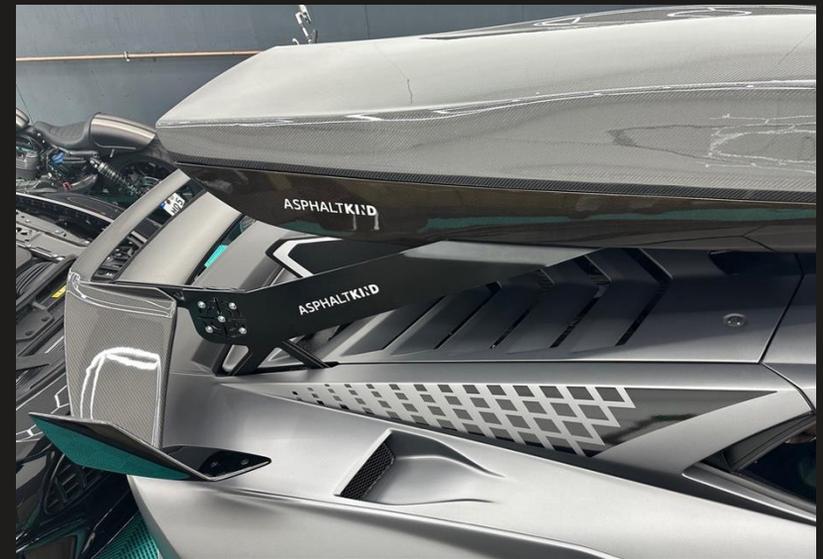

In-house developed carrier system

911 GT3 RS (MR)

In-house developed carrier system

STO

Videos say more than 100 words.

Most of our customers don't buy the roof box because they want a roof box, but because it allows them to use their car much more often.

ASPHALTKIND

For anyone who does not have a mounting option:

Suction Cups

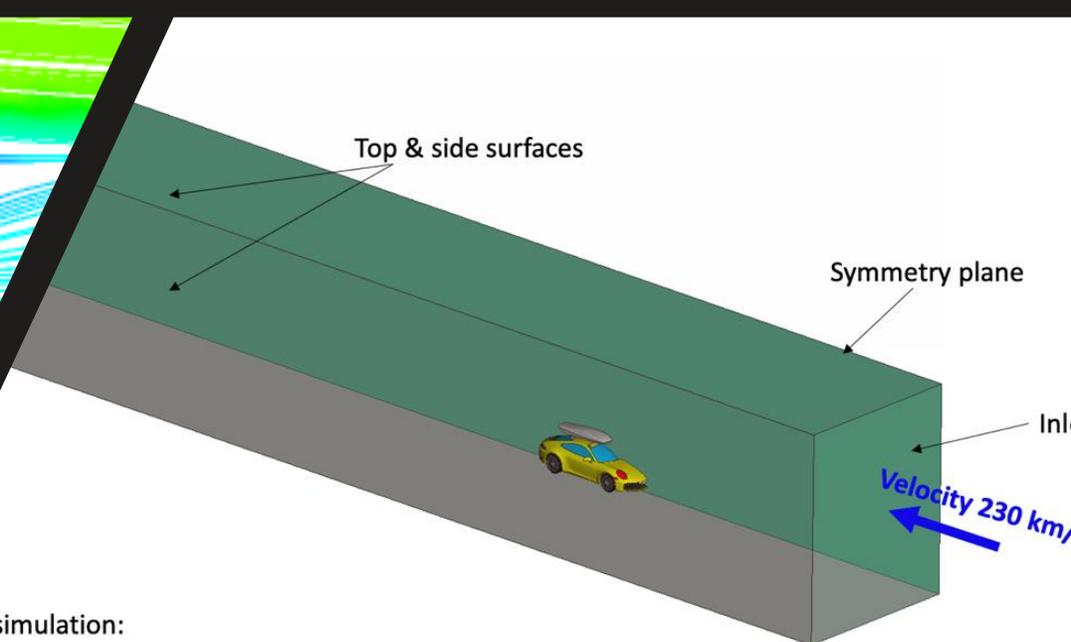

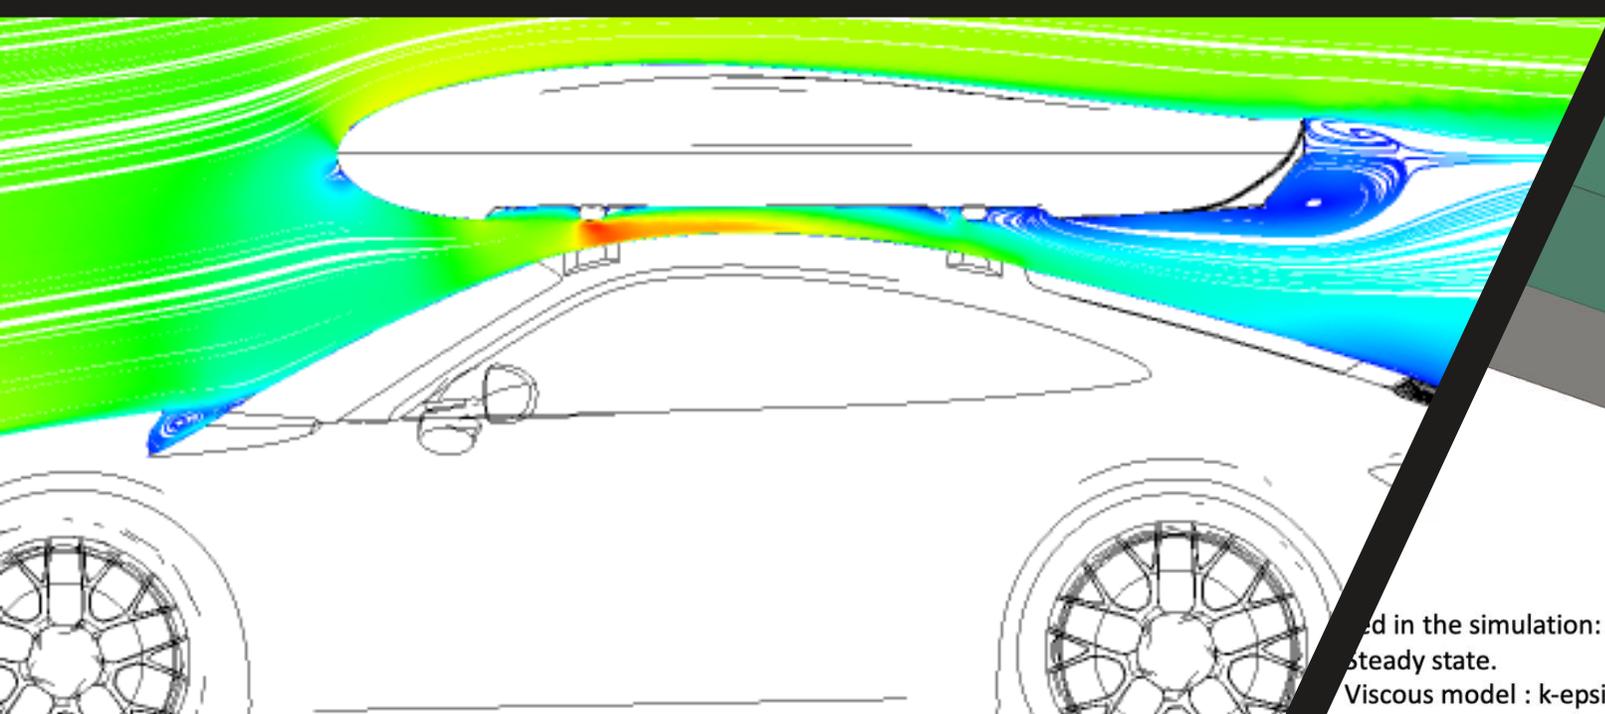

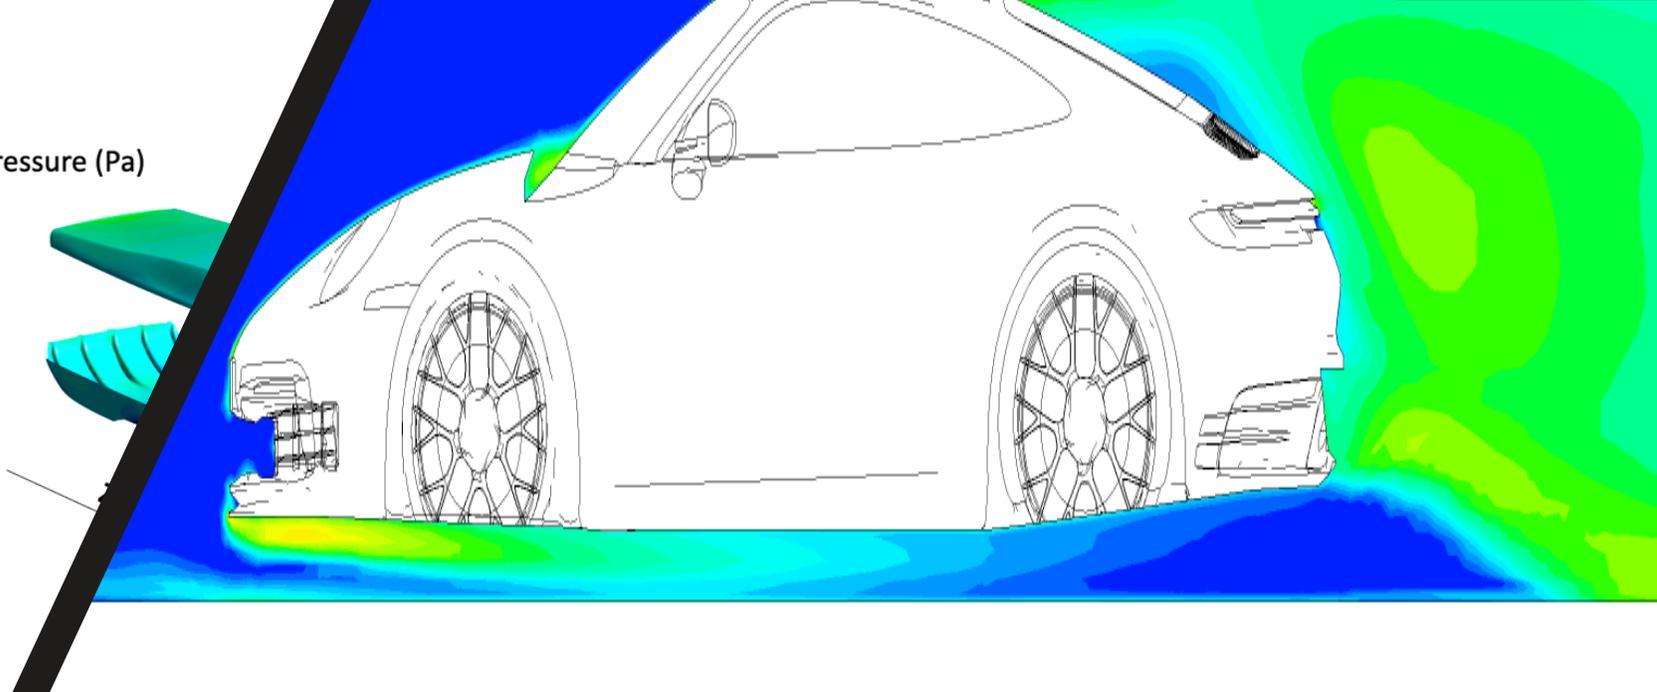

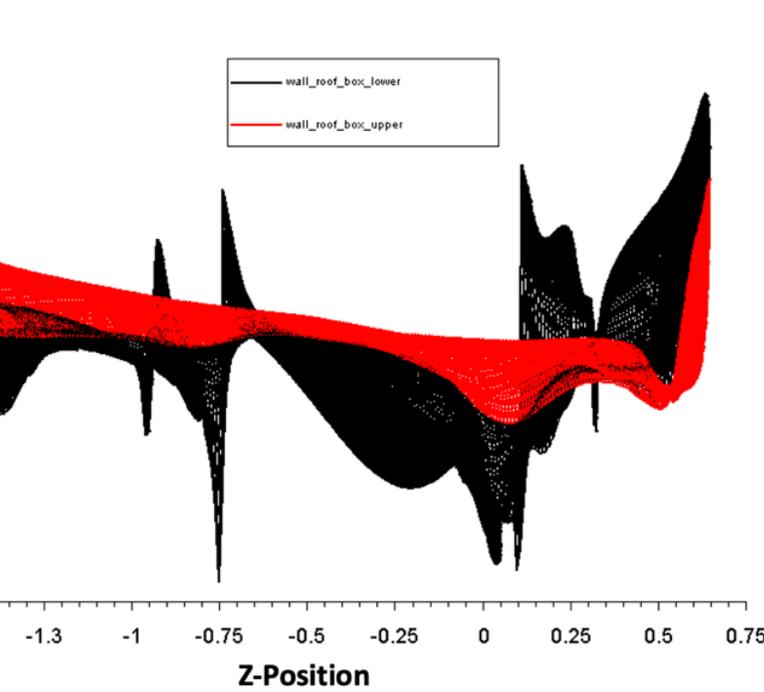

Used in the simulation:
 - steady state.
 - Viscous model : k-epsilon.
